

Worcestershire County Open 2018

Luckily this year we had good weather, although with the sun, shimmer and variable light breeze, some people found it difficult to get good scores.

We had a total of 23 entries, which is up a little on previous years. As I always say it would be nice to see more at the County outdoor shoot, it is good fun, if a little challenging at times.

Rivalry between Karen Webber and Lee Webb was resumed this year. They tied on a score of 781, but Karen took the honours with a better hundred yard aggregate.

As always I have to thank those who help to make the meeting a success.

Firstly Bromyard Rifle club (and their work party), without the range we could not hold a meeting.

Secondly Pam and Karen Webber for keeping us fed and watered (very necessary in the hot weather we had this weekend).

Thirdly John Grove and Mark Bellringer for helping out with Range Officer duties, keeping everyone safe and in good order.

Lastly, but most importantly Keith Bates for his sterling work in scoring, dealing with cross shots and other problems. A measure of his prowess is the fact that there were no challenges.

The raffle winners were
