**Entries are invited for the 2025/26
Worcestershire Short Range Prone Rifle Winter League
Concurrent Team and Individual competitions**

Entries this season are for concurrent team and individual leagues.

Enter as individuals, as teams, or both at £5.00 per person.

Self scoring of competition cards will be allowed for clubs which have a competent scorer.

Team Entries

Club teams of three shooters will be taken from the entries, ie the 3 highest averages will form the A team, the 3 next highest averages the B team and so on, (unless you request that one of your entries is to shoot only as an individual)

Individual Leagues

Each person who enters will also be entered into an individual division of up to 6, appropriate to their declared averages. Each person will shoot against everyone else in the division twice.

Declared Averages

Please can you use averages shot within the Worcestershire Leagues wherever possible, and the averages should be calculated using the **best 5 from the last 6 officially scored cards**.

The individual and team competitions will be shot concurrently, i.e. only one card is to be shot, and that will be both the individual and team entry. The competition will consist of 10 rounds, one ten shot card per round.

NSRA rules will apply and B.M./89-18 cards are to be used

Scores or shot cards to be sent to me.

In addition to the medals for the members of the winning teams and the top shot in each division there will be winners medals awarded for the individual competitions.

Closing date for entries is the 8th September and the first round will be due early November, (date to be confirmed when stickers go out).

The entry fee is £5.00 per adult and £3.00 for a Junior to enter both the competitions.
