Entries are invited for the winter leagues being run to the following format.

The club teams of *three* will be taken from the entries i.e. the 3 highest averages will form the A team, the 3 next highest averages the B team etc, (unless team captain requests that a shooter is not entered into a team.) Those not in a team may be reserves should this be required.

Also each shooter will be entered into an individual league appropriate to their declared averages.

Entries will be arranged into divisions of 6 where possible and shot over 10 rounds, 10 shots per round.

The individual and team competitions will be shot concurrently, i.e. one card will be sufficient for both competitions

One card per person per round at 15, 20 or 25yds. NSRA rules will apply. B.M./89-18 cards to be used

Declared averages to be calculated from the best five of the last six officially scored cards.
